Our children have enjoyed their trips out to Kegworth Library, the mobile library in the village and Hathern's Curiosity book shop which we hope have inspired our children to read for pleasure. We hope to make these a regular event so that the children get the opportunity to explore the books in the libraries and the shops.

Sporting Success

Well done to the Year 3's and 4's who represented Long Whatton at the Charnwood Dodgeball competition.

The children across Robins and Owls put on an amazing performance at the Charnwood Cross Country event and have got through to the next round!

The children love to join in with Mrs Conway's Bible story collective worships. This half term they have retold the stories of 'The Good Samaritan' and 'Jesus feeds the 5000'.

A huge thank you to Mrs Levenston and Miss Hellawell for taking the children to 'Young Voices'. The children sang beautifully and thoroughly enjoyed their time in Birmingham.

Our Key Stage 2 children are looking forward to their residential next week! We look forward to sharing their photo's on twitter and in the next newsletter.

Best Wishes, Mrs Gray and the Long Whatton Team

A huge well done to Belle who won the national turntable competition. Tim from Leicestershire Music Services came to present Belle's winning prize of her very own turntable!

We now have our very own litter picking team in school. The Robins took part in a Severn Trent workshop. They were so inspired by the workshop that they asked to start litter picking around school and have now built a whole team of litter pickers and led our collective worship.
